Please plan to attend the Hope Cancer Help Centre's 2012/2013 Annual General Meeting.

The meeting is being held at the Rusty MacDonald Library, 225 Primrose Drive, on Thursday, November 14 starting at 6:30 PM. Registration will begin at 6:00 PM and everyone who wishes to participate in the meeting will be asked to purchase a \$5 membership at the door.

The Hope Board of Directors is also giving notice that we plan to present a motion at the meeting to amend our Articles of Incorporation regarding board composition to say that at least half of the members of the board need to be either people who have or have had cancer or immediate family members of people who have had cancer. Right now our Articles require that at least 70% of our board be made up of people with cancer. We are finding that we need to have the ability to include more people on the board who are not struggling with health issues.

We are currently seeking nominations from people who would be interested in serving on the board. Please submit a letter stating your interest in running along with a short bio by Friday, November 8 to the Hope office.

*HOPE is dedicated to enhancing the quality of life
for cancer patients.*
