

School of Physical Therapy

PARTICIPANTS NEEDED

for brief ONLINE SURVEY on

Breast Cancer and Shoulder Dysfunction

Please help us get a better understanding of how many breast cancer survivors experience shoulder problems after their surgery and treatments.

This can help improve care and services.

We are looking for **breast cancer survivor volunteers** to take part in a study investigating shoulder dysfunction following curative surgical treatment for breast cancer.

As a participant in this study, you would be asked to complete a brief (5-10 min) confidential ONLINE SURVEY.

You can be entered into a draw to win one of two \$50.00 gift certificates!

If you would like more information about this study you can contact:

*Dr. Soo Kim, School of Physical Therapy at
306-966-8399 OR at soo.kim@usask.ca*

This study has been reviewed by, and received approval through, the Research Ethics Office, University of Saskatchewan.
